*10k + quantity, email for special pricing

*Orders under 48 pieces must be approved by SCC prior to being submitted

Additional Printing Charges

Specialty Inks - \$0.20 per color/garment/placement

*Minimum of 72 pieces per design/per order for all puff, waterbased and discharge inks

*Add one additional color count for designs using grey blocker or metallic inks

Ink Swap/Screen Fee - \$10 per color/design

Separation Fee - Simulated and 4-color process - \$20 per color/design

Specialty Garments

Tote Bags, safety vests, long sleeves, pants, mesh material - add \$0.25 per g/p

Single layer jackets, heavyweight (>10oz), oversized or hard to print - add \$1 per g/p

*Jacket Printing is at our discretion - please call or email for approval prior to submitting orders

Specialty Printing Processes

Basic Full Spot Color Process (simulated) - 7 color on white, 8 color on darks

*For full spot color process prints requiring more than 8 colors, see pricing for "additional colors"

4-Color Process (CMYK) - 6 color pricing

*Please allow an additional 48 hours for quotes and processing on full color jobs

Other Information and Fees

Underbase on light garments - For consistency in color, we may run underbase on light (non-white) garments when the same design is being printed on darks in the same order.

Pre Production Samples - Standard printing are priced as 1 piece plus all applicable screen fees. Full color samples are priced at \$200 per design plus screen fees plus separation fees. See our Contract Packet for details.

Order Edit Fee - \$10 per instance (applies when a change is made post submission)

Preliminary Digital Proof - \$30 each (applies only when a mock request is made without a PO/order)

Logo Vectoring/Art Services - starts at \$30 per logo

Order Cancellation Fee - \$25

Splitting Bulk Blank Garment Orders - \$25 per order

Standard Production Time 7-10 business days
Rush services available

(Turnaround time is subject to increase without notice during peak seasons)
